Okay, cool. I'll talk with Chuck today and see if we can get her on the fast track to getting an email address and then I'll have her send you an email as soon as she can. Thanks again.

Hey Dan, I don't think its possible to sign her up yet because she does not have an email address yet, but I will keep her name pending in the meantime. Thanks

Gio! As you probably know, we have a new chemist @ the drug lab, Hevis Lleshi. She does not have an email address set up yet but am I correct in assuming that she will have to take this Diversity training as well? If so, can we sign her up for it so she doesn't have to take it downtown by herself? Thanks!

Good afternoon

We will be having our Diversity Awareness Training on June 13th, in the auditorium. This is an all day course and it starts at 9 and ends at 4 pm. Once the date nears I will send a reminder, so put this date in your calendar. For those that can't attend you will have to make arrangements with Yvonne Wade for a future training and most likely you will have to go downtown.

Thanks and have a great day
